# Photography comes of Age

An Illustrated Talk by Roger Mendham

**Tuesday 13th February 2024**

Roger Mendham: MOT Failure

This talk looks at photography over the past nearly 200 years, looking at key advances in technology and the inter-relationship of photography with art movements. The work of pioneering women photographers is particularly interesting, the talk concludes with examples of some great photographs that have been sold for millions of dollars at auction.

**Talks are held in The Public Hall, West Street,  
Liskeard PL14 6BW at 7.30 p.m.**

Refreshments served from 7.00 pm

**Non-members (£8) are always welcome.**
