Trains in Cornwall

Including through trains to Exeter, Bristol and London, and bus connections

General Information

Welcome to our guide to services showing the full service from London Paddington and Plymouth to Cornwall.

Amendments to published times

Public Holidays and rail improvement works may affect services in this timetable, especially at weekends. For the latest timetable information, please visit our website or download our smartphone app. All information correct at time of publication.

Want to bring your bike?

Bike reservations are compulsory on many of our services. Space is limited on board, and so we operate a strict first-come, first-served policy. Book a space at your nearest staffed station, through our Customer Support team, or when you buy your ticket online at GWR.com

Short platforms

Some stations on our network have short platforms. In some cases you can only join or leave the train from certain carriages. Please listen for announcements.

PLUSBUS

Buy an add-on ticket giving you discounted bus travel to and from many of our stations. Visit plusbus.info for more details.

Free Wi-Fi is available on most of our trains.

The Devon & Cornwall Rail Partnership works to promote rail travel in the region and to improve services and facilities at our stations. Visit dcrp.org.uk for more information.
