## What is Relay For Life?

Relay For Life is an overnight community event that celebrates cancer survivors, remembers those lost with a moving Candle of Hope ceremony and rallies everyone to fight back. Anybody can join in, regardless of age or fitness level. Relays are fun for all the family and everyone is welcome!

In the lead up to the Relay, teams get together and raise as much money as they can. You can do anything you like to raise vital pounds for our ground-breaking research – from coffee mornings to concerts, challenges and car washes, every pound donated brings forward the day when all cancers are cured.

## What happens during the Relay event?

The Relay itself is the celebration of everyone's fundraising efforts. Teams set up camp and take it in turns to walk round the track for the duration of the event. Plenty of food, entertainment and activities bring this neighbourhood party to life!
